Gazebo Antigua

**Gazebo in acciaio
con telo di copertura
in poliester 180 gr/mq**

**Dimensioni:
3.30X3.30 m
H. 2.70 m**

AVVERTENZE

- A)** Aprendo l'articolo fare attenzione alla presenza di bordi metallici.
- B)** Utilizzare le normali cautele per il montaggio qualora sia necessario l'uso di attrezzi metallici o utensileria.
- C)** Stringere saldamente le viti di assemblaggio durante il montaggio.
- D)** È consigliabile un ancoraggio adeguato a pavimento o parete per una maggiore stabilità del prodotto.
- E)** È necessario smontare il telo di copertura in caso di perturbazioni atmosferiche.
- F)** La misura del gazebo è rapportata al massimo ingombro sulla parte superiore di copertura. Peso e misure possono variare $\pm 5\%$.

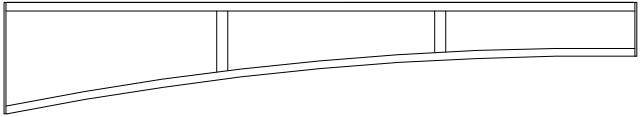

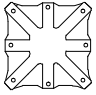

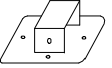

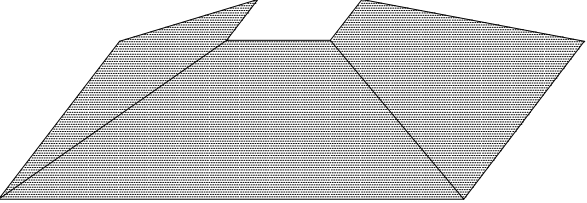

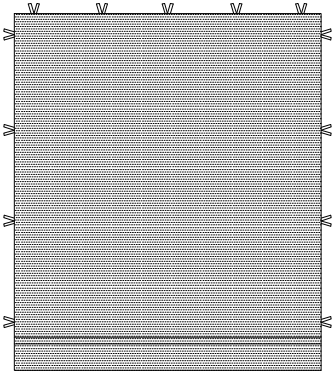

ATTENZIONE:

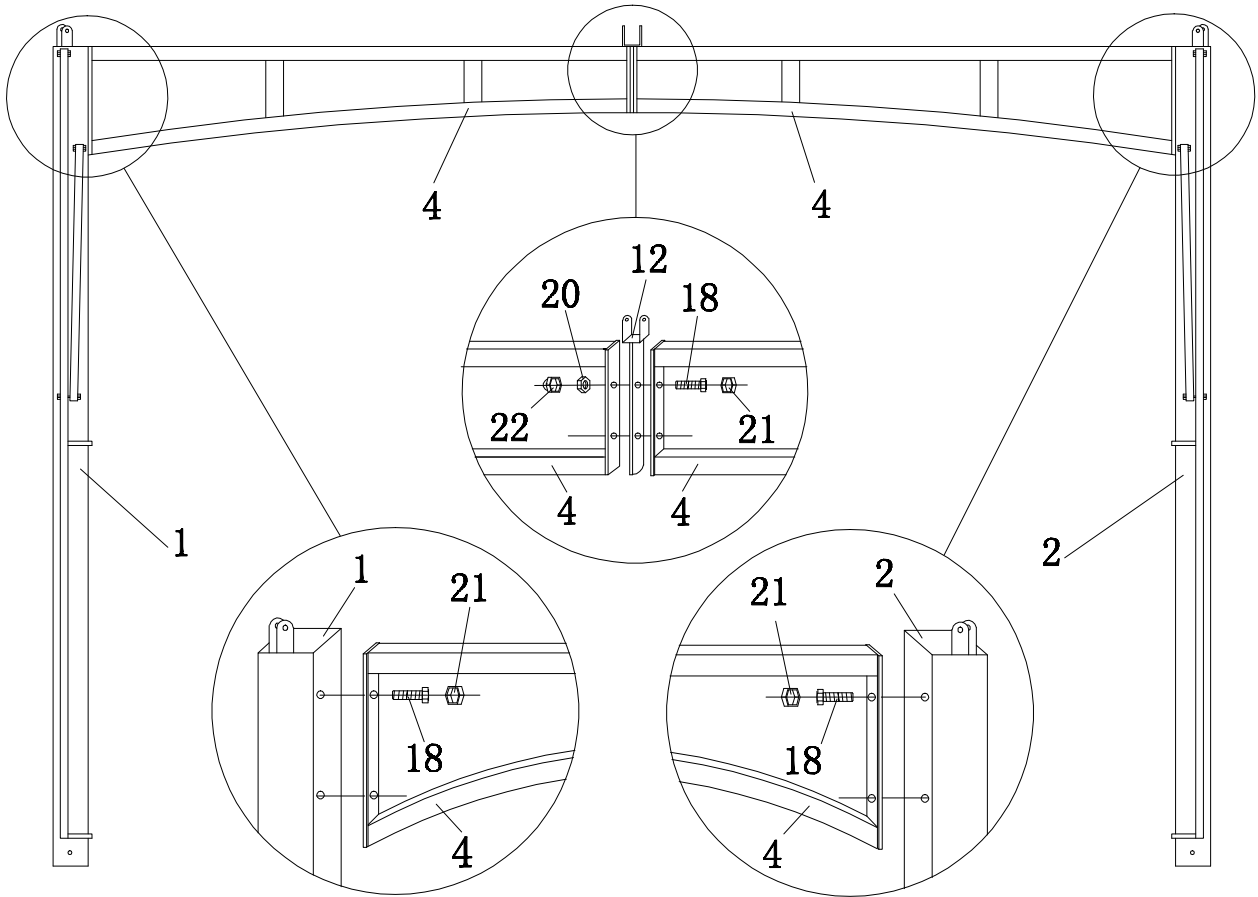

Prima di procedere con l'assemblaggio, assicurarsi che siano presenti tutti i pezzi nella confezione. Conservare questo manuale per consultazioni future.

- G)** Montare il prodotto seguendo attentamente le istruzioni d'uso. Sono necessarie 4 persone.
- H)** Prodotto pesante, maneggiare con cura.
- I)** Lavare il telo a una temperatura non superiore ai 20°C.
- L)** Togliere il telo di copertura in caso di forte vento o pioggia per evitare danni alla struttura. Rimuovere quindi il telo di copertura in caso di forte pioggia e vento per evitare danni o che l'intera struttura collassi.

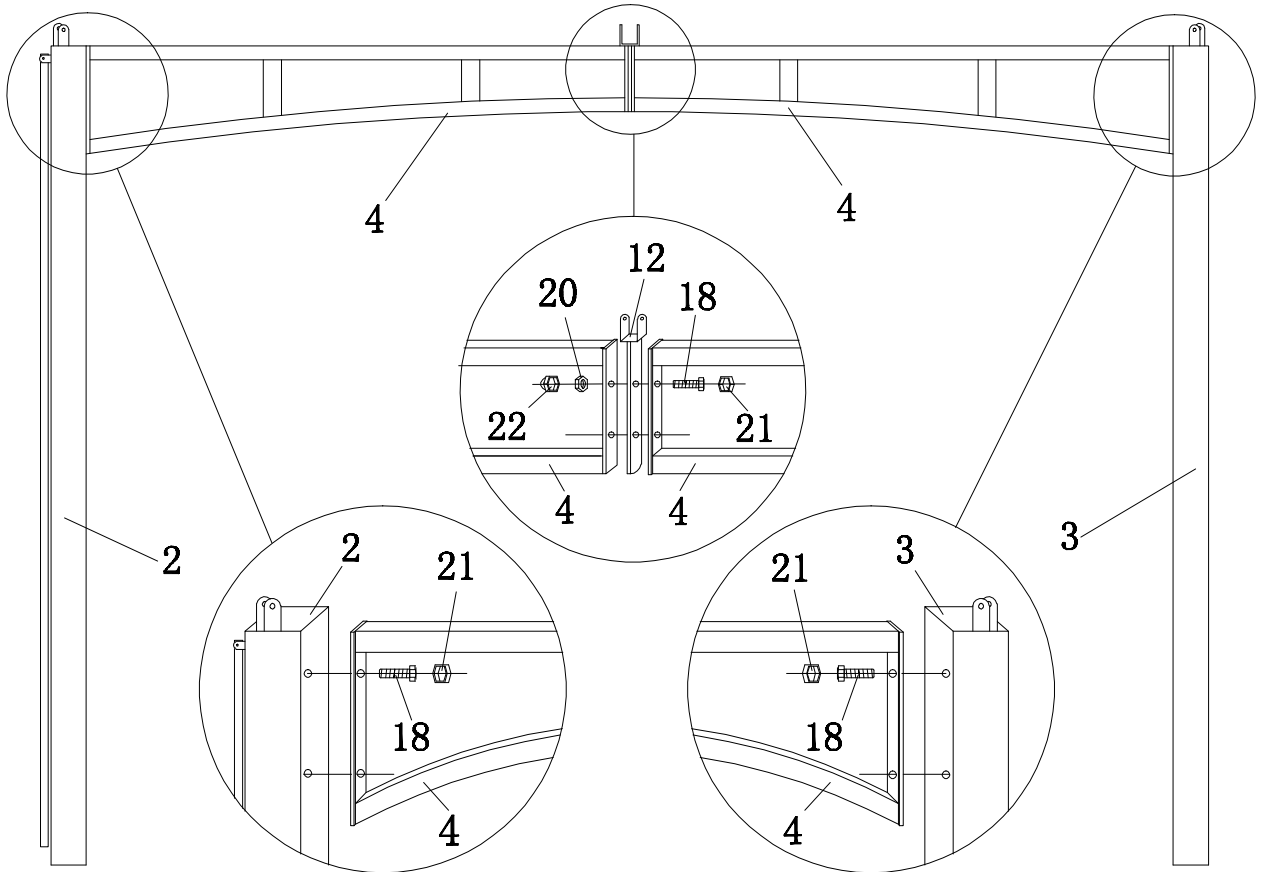

**Tenere gli imballi vuoti lontano dalla portata dei bambini.
Gettare gli imballi negli appositi contenitori.**
